**MILLION EURO
BUDGET**

ATRIUM's **Transnational Access (TNA) scheme** offers researchers the possibility to apply for a fully funded placement at 16 Digital Humanities & Data Management organisations across Europe. With over €450,00 budget, the TNA travel grants will support around 200 Arts and Humanities researchers to gain access to expert knowledge and advice.

CLARIN

**Funded by
the European Union**

Funded by the European Union under Grant Agreement n. 101132163. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union. Neither the European Union nor the granting authority can be held responsible for them.

ATRIUM — Advancing Frontier Research in the Arts and Humanities

is a European Commission-funded project facilitating access to digital research infrastructures across disciplines, languages and media. It bridges four leading Research Infrastructures: DARIAH, ARIADNE, CLARIN, and OPERAS.
